## Therapy Services FAQ's (Frequently Asked Questions)

Upon starting your Physical Therapy or Hand Therapy program you may have several questions. We will try to answer many of them below:

- 1. What should I wear?** For individual comfort and convenience you should wear clothes you would be comfortable exercising in, including appropriate footwear. Sandals heels and other open toed shoes are discouraged. Additionally, consider garments that will allow for the discreet exposure of the area you are having treated.
- 2. Can I bring my children or spouse?** Due to privacy laws, we encourage only a direct caregiver or parent be present for treatments. Additionally, our facility contains extremely tempting equipment for children to play on. In the interest of safety, we require all non-treating children to remain in the reception area with adult supervision.
- 3. Do I need a towel?** For your convenience, we have towels at your disposal. However, we do not have a shower facility in all locations. At times your therapy may consist of moderate levels of exertion, and/or application of thermal, electrical and ultrasonic modality. Therefore, we urge all Therapy participants to refrain from application of lotions and perfumes as they may interfere with your treatment program.
- 4. Do you bill my insurance?** As a courtesy, our reception staff verifies insurance eligibility and benefits prior to undergoing therapy treatment. Many insurance plans have co-pays, co-insurance, and deductibles. We encourage you to check your individual policy and limitations and/or pre-authorization requirements as outlined in your "Eligibility of Benefits" handbook. Patients should check with our receptionists on a weekly basis to evaluate their account. Please notify our office immediately if your insurance plan changes. Failure to do so may result in nonpayment of insurance claims for all therapy charges.
- 5. How long will my therapy sessions last?** Typically, you can expect each session to last between 45 and 60 minutes. To ensure that your therapy time is maximized, we request cell phones and pagers be turned off prior to your therapy appointment.
- 6. Do I need to make an appointment?** Yes. Please make appointments at our reception desk 1-2 weeks in advance to ensure a convenient schedule for you. If you must cancel an appointment, kindly give 24 hours notice and every effort will be made to reschedule your visit at a convenient time. If you are insured by Worker's Compensation insurance, we are required to inform your adjustor or nurse case manager of any missed appointments.
- 7. Am I responsible for payment at time of service?** If you have a co-pay, you will be responsible for payment before services are given. If you have a co-insurance, we will be happy to bill you after we receive notification from your insurance company. If your insurance is out of network with our office, all payment will be due at the time of service.
- 8. Will I be charged for any supplies I receive?** Money for any supplies must be collected at the time of purchase. You may be able to get reimbursed by your insurance company, but we do not bill supplies to insurance companies. We will be happy to provide you with the necessary paperwork for you to submit to your insurance company. If your insurance is through Workers Compensation, we will not charge you for any supplies you receive.

## Therapy Services FAQ's (Frequently Asked Questions)

- 9. Are there consequences for arriving late or missing appointments?** Please make every effort to arrive on time. Late arrivals put stress on the therapist to meet all their patients' needs. We recognize that some appointments cannot be kept due to unforeseen circumstances. However, we ask for 24 hour notice so that the time can be re-booked for another client. Our policy is to charge \$50 for an appointment that is missed without the courtesy of a call, and \$25 for appointments that are canceled with less than 24 hours notice. Workers Compensation adjusters will be notified of each offense. At the discretion of the therapist, you may be removed from the schedule if you miss three appointments in a row.
- 10. If I am referred by a physician from Ventura Orthopedics, do I have to receive occupational or physical therapy from Ventura Orthopedics Therapy Services?** You may seek therapy services from a therapist of your choice who may or may not be employed by Ventura Orthopedics. If you choose to be treated by a therapist employed by Ventura Orthopedics, please be aware that your physician may have a financial interest in Ventura Orthopedics and its therapy service.

**EACH PATIENT (OR RESPONSIBLE PARTY) IS FINANCIALLY RESPONSIBLE FOR SERVICES RENDERED. WHILE WE ARE PLEASED TO PREPARE INSURANCE FORMS, THE OBLIGATION FOR PAYMENT OF OUR FEES REMAINS THAT OF THE PATIENT.**

**FEES FOR ANY PHYSICIAN, MRI, ETC., WILL BE BILLED SEPARATELY FROM YOUR THERAPY FEES.**

**I have read and understand the above information.**
